Take Your Child to Work Day

April 24, 2014 is Take Your Child to Work Day. While taking your child to your place of employment can be a valuable experience, some students have abused the day by being truant from school. In an attempt to legitimize the day, we are asking that your child complete a prearranged absence form, which can be found below and in the Attendance Office. The form should be completed in advance and returned to Attendance by Thursday, April 17th . On April 25th, the students must present the absence verification form to the attendance office. Compliance with this procedure will ensure an excused absence for the day.

Thank you for your cooperation.
