Dear Parents of School-Age Children:

The North Hunterdon High School Administration has concerns regarding the increase in the number of young children who are attending the regional district events and activities who are not supervised by a parent or an adult. Their unsupervised presence poses a liability for the school district, and, at times, have been a distraction to the adults and students who have come to view the event.

We have found it necessary to establish a criterion for admission to events to be able to accommodate the spectators and students of the regional school district, to address liability concerns, and to maintain a level of crowd control suitable to the event.

From this point forward, any children/students wishing to attend North Hunterdon High School functions must either:

- Present a student ID from the North Hunterdon High School District
- or present a student ID from the opposing team's school district
- or be accompanied by a parent or responsible adult (all elementary school-aged children fall into this category)

We believe that establishing this policy is in the best interest of our children, spectators and student body. We respectfully ask that you plan accordingly for the upcoming school year. Please feel free to direct any questions regarding this policy to John Deutsch, Director of Athletics and Student Activities, at 908-713-4152.

Sincerely,

Michael P Hughes
