

## **COLLEGE APPLICATION PROCEDURES**

### **Student Responsibilities:**

- Obtain applications.
- If teacher recommendations are required, give teachers any required forms and stamped envelopes addressed to the college. Request that teachers mail them directly to the colleges by the deadlines.
- Carefully complete all parts of the applications and mail them to the colleges with application fees.
- Request an appointment with your counselor.
- Arrive at appointment with a completed transcript release form, an addressed envelope, and any counselor secondary school reports that may be required for each college.
- Inform your counselor of colleges' decision (accepted, not accepted, wait-listed) as they come in.
- By May, inform your counselor of the school you will be attending *and complete the Senior Survey* so that a final transcript may be sent in July.

### **Counselor Responsibilities:**

- Counselor will assist students in the college search and application process.
- Counselor will complete a secondary school report if provided and a counselor recommendation, if requested in advance.
- Student's transcript and a NHHS profile will be mailed to colleges.
- Seventh semester reports will be mailed to each college to which the student has applied.

**PLEASE NOTE: NHHS will submit six transcripts to the colleges of your choice, free of charge. Students will be billed in May for any additional transcripts at the rate of \$2.00 per school.**
