Dear Student,

This is your record of each step of the research paper process. When you turn in each assignment, I will write in the date received, and initial it. If there is a problem with an assignment due date, please refer to this list. If I have not initialed it, it has not been received.

Please remember that these kinds of major assignments can be turned in late for a 50 percent penalty. If you do not have the assignment on the due date, try to hand it in as soon as possible, so you can earn partial credit. If you are absent any of the due dates, the work is expected upon your return; I will accept a parent's note requesting a reasonable extension. Also, I will not accept technological problems (broken computer or printer) as an excuse. You have generous deadlines and plenty of time to make alternate arrangements.

If you have any questions, please come see me for help. I want you to succeed!

Sincerely,  
Ms. Merolla
