

Staff Appreciation Breakfast

- Dates:
1. December 11, 2009
 2. June 11, 2010 with seniors

We are looking for a parent to volunteer as Chairman of this event. It would involve the arrangement of breakfast food purchased and picked up as early as 6:00 a.m. on the above mentioned dates, as well as organizing baked products offered by a list of bakers that would be provided to you. You would also coordinate your efforts with the kitchen staff as they will be involved with coffee setup.

Please consider the above and give it a try – have a group of friends be part of the committee.
