

Green Dot is a power-based personal violence prevention program being implemented on the NHHS campus this academic year.

The Green Dot strategy targets all freshman as potential bystanders in situations of bullying, dating violence, stalking, sexual assault and other forms of violence. It seeks to engage them through awareness, education and skills-practice, in proactive behaviors that establish intolerance of violence as the norm, as well as reactive interventions in high-risk situations. This will result in the ultimate reduction of violence.

Join us! Thursday, September 22nd

6PM-7PM in the Theater at NHHS

to learn more about the Green Dot Strategy and how you can play a role in ending power-based personal violence.
