INTERNET SAFETY... "ADVICE ON HOW TO PROTECT OUR CHILDREN"

Computer exploration opens a world of possibilities for children, expanding their horizons and exposing them to different cultures and ways of life, however, they can also be exposed to dangers as they hit the road exploring the information highway.

Join the Superior Court of New Jersey's Vicinage 13 Advisory Committee on Minority Concerns and the Somerset County Prosecutor's Office in an evening community education program on internet safety. This symposium is an ideal forum for parents, teachers, clergy, social workers and members of the public to attend, interact and learn about and the following:

- How to examine the computer to determine which sites your child has accessed on-line.
- Rules for safe Internet use
- Internet safety tips for kids
- Warning Signs

** The program is directed towards parents and is not suitable for minors due to graphic content.*

Scheduled speakers include:

W. Brian Stack, Assistant Prosecutor
Somerset County Prosecutor's Office

Admission is Free * Open to the Public

REGISTRATION FORM
Internet Safety... "Advice on How to Protect Our Children"

Thursday
