# AMERICAN SCHOOL SPIRIT AWARDS

*January 11, 2012*

*Dear Coach and Team,*

*We are pleased to notify you that your school has been chosen as judges' favorite in the "American School Spirit Awards". This award signifies that your school cheer program exemplifies outstanding school athletic support, community involvement and high academic standards.*

*Our judges were impressed by all of your materials, spirit raising activities and community involvement, along with the letters of recommendation. At UCA we recognize that cheerleading can and should have a broad impact, from the individual to the community. Your squad successfully goes "above and beyond" and we take great pride in awarding you this honor.*

*Thank you so much for your participation. Best wishes for a successful school year.*

*Your Friends at UCA*
