Dear Parent or Guardian:

The transition process for your 8th grade student will begin soon. To facilitate a smooth transition for your son or daughter to North Hunterdon High School, a calendar of 8th grade scheduling activities has been planned. Please review the activities below and mark your calendars with these important dates.

November 16, 2011 – 8th grade Evening Orientation Program, for all our sending school students and their parents, will begin at 6:30 p.m. in the theater. Presentations will include an overview of high school life by administrative staff, in addition to information on the scheduling process. Teachers from the various departments will be available in various areas of the building to answer questions afterward. Please check the website in case of a weather event: www.nhvweb.net/nhhs.

- **January 3, 2012** – Scheduling material including curriculum guides and scheduling contracts will be available for distribution.
- **January 2012, TBA** – North counselors will be available at North for late afternoon appointments with students and their parents. If you would like to meet with a North counselor, please contact the Counseling Office at 713-4130 after the winter break. There will be a limited number of slots, so please schedule early if you would like to take advantage of this opportunity to meet to discuss your child's schedule for next year.
- **January 17, 2012** – The last day for receipt of scheduling contracts at the North Guidance Office. Schedules delivered after this date will jeopardize student's chances of obtaining their desired course choices.
- **Spring, 2012**– Verification of scheduled courses will be mailed home for review. All errors must be reported to Guidance immediately.
- **August 23, 2012** – Freshman & Parents' Program, 3:15p.m.
- **August 23, 2012** – Athletics presentation and Activities Fair; 2:30p.m.
- **First Day of School** – Final schedules distributed in homeroom.

Enclosed is a copy of our registration form, which must be completed promptly and returned to your school. They will forward them to us. Please note that it is very important to register your son or daughter using his or her *full, legal first name*. This will be the name that appears on the student's transcript, which is ultimately sent to the colleges and universities, so it is important to maintain consistency.

We hope this information is helpful to you. We look forward to working with you and to welcoming the class of 2016 to North Hunterdon High School.

Sincerely,

Patricia L. Raleigh
