September 2, 2008

Dear Parents:

It is hard to believe that summer is behind us and the fall semester of the 2008-2009 school year is in full swing. As a participant in select Advanced Placement Courses, your child has the opportunity to enroll in the Seton Hall Project Acceleration Program. Upon successful completion of this program, credit will be earned from Seton Hall University. This is the fourth year our students have had the opportunity to participate in this concurrent registration program.

For your information I have attached the fall registration procedure and the courses that will be offered for the 2008-2009 school year.

Further information concerning this program is available at the following website <http://artsci.shu.edu/projectacceleration/>. Any additional questions can be addressed to Mr. John Hahola, Assistant Principal for Instruction at 908-713-4124 or [jhahola@nhvweb.net](mailto:jhahola@nhvweb.net).

This is a wonderful opportunity for our students, and we thank you for your support of this outstanding program.

Yours truly,

John P. Hahola  
Assistant Principal for Instruction
