August 7, 2008

Dear Parents, Guardians and Students:

We have a new locker management system at North Hunterdon High School. All student lockers have been reassigned, with freshmen and sophomores located on the first floor/O level and juniors and seniors on the second floor. Please see your locker information, which includes a locker number and combination, on the attached locker location map.

Please be reminded of the following:

- Students should not disclose their locker combinations to any students, even friends.
- Students are not allowed to share lockers.
 - Lockers are sized to accommodate the belongings of a single student. When a friend shares the locker, extra coats and books cause the lockers to jam. Students may not be able to access their materials until the locker is repaired.
 - If a friend puts any contraband into the shared locker, the student who is assigned to the locker can be caught up in a very difficult situation.
- Lockers must be emptied at the end of the school year. To assist in this process, we set up a locker cleanout period twice a year, so students have the time to remove any items they wish to keep. All lockers are emptied and cleaned over the summer and any necessary repairs are made. Any textbooks left behind are returned to the departments that issued them. Any clothing left behind is held for five days. Items that have not been collected are donated to charity organizations.
- Students cannot put any permanent decoration, such as painted words, in their lockers. All decorations must be removed at the end of the year.

If any students need assistance with their lockers, please see Ms. Dolan, Assistant Principal, in the Athletic Office.

Thank you for reviewing these items with your children. Enjoy the rest of your summer.

Sincerely,

Michael P. Hughes
Principal
