Dear Parent or Guardian:

On behalf of the Hunterdon County Safe Communities Coalition, North Hunterdon High School, in conjunction with interested parents, community agencies and local law enforcement, invites you to participate in the **SAFE HOMES PROGRAM**, a program of invaluable support for teenagers and their families which is supported and maintained by the Coalition. This is a national initiative designed to coordinate pledges from local families who agree to host only supervised, drug and alcohol-free gatherings for teen at their homes.

The enclosed information details this potentially lifesaving program. Our school is coordinating this initiative with our sending districts, other county high schools, community agencies and local police.

Once the enclosed signed Pledge Form has been returned, the data is then forwarded to the Coalition and entered into the online directory located on its website, www.hcsafe.communities.com. You will an email with instructions on how to access the online Directory. Your user ID will be your email address and the email_user ID will be your email address and the email will contain your temporary password. The coalition website also includes parental resources on Alcohol, marijuana and prescription drugs.

We have had tremendous support and success from our North Hunterdon High School parents with this program. Please be sure to return the enclosed Pledge Form by mail or fax on or before September 12, 2011. Thank you for your anticipated support with Safe Homes.
