

Please see below for the Winter Impact Testing Schedule. All current Juniors (Class of 2013) and Freshman (Class of 2015) that have **NOT played a fall sport** will need to be tested. All tests are at 3pm in the media center. Testing takes about an hour to complete. If you have an athlete that is unable to take the test at the scheduled time please have them see Mrs. Korbul in the Athletic Training Room or email [kkorbul@nhvweb.net](mailto:kkorbul@nhvweb.net). I will try to get them into another testing session if there is a seat. Some tests will be fuller than others.
