CRITERIA FOR CHANGING STUDENT SCHEDULES

Students are expected to honor their commitments by attending and satisfactorily completing the courses for which they enroll.

Schedule changes will not be made for reasons of convenience or because of teacher preference. Only changes which are educationally beneficial for the student will be considered.

Schedule changes will be considered only for the following reasons:

1. The correction of a clerical error in the schedule. Examples might include a missing course, a conflict between two or more courses, failure of a prerequisite course or a serious imbalance in the course load assigned for each semester.
2. A recommendation from the Child Study Team.
3. A recommendation from a building administrator for disciplinary, attendance or instructional reasons.**
4. If a student is repeating a course and is assigned to a teacher with whom he or she previously received a failing grade.
5. A student wishing to take additional course(s), in place of study hall(s).
6. A teacher recommends a change based on the fact that the student is misplaced in a particular course or that a change in level would be beneficial to the student. This must be done with the approval of the Department Chairperson and the Guidance Director.

** Schedules changed according to this criterion may result in a grade of WF (Withdrew Failing), which is computed for grade point average as a failing grade.

Schedule changes **will not** be considered for any of the following reasons:

1. Course content or standards differing from student expectation.
2. Dropping a course because it is not needed for graduation.
3. Inability of a student to relate well to a given teacher.
4. Preference for some other subject.
5. Dropping a course in order to lighten one's load.
