**I understand that participation in the Spring 2010 Credit Restoration program is for courses taken during the 2009-2010 school year and that no grade improvement is possible. Seniors are eligible to restore credit in two single semester courses or one full year course.**

**I agree that for semester courses there is a minimum of 12 hours of participation; for full year courses there is a minimum of 24 hours of participation, and in each case an approved research paper must be completed following established district guidelines.**
