Autumn, 2011

Dear Friends of North Hunterdon High School Football:

We are pleased to present you with our fall sports guide. This guide showcases a wealth of pictures, statistics, facts and information on all of our fall sports. Our book is dedicated to our fine senior athletes and band members, as we salute the contributions they're making to our athletic and music programs.

In addition to our seniors, we are appreciative and proud of our staff, students and community members for their encouragement. We are confident that their support, combined with the student's preparation, have created the foundation for a memorable and rewarding season.

Coach Mattes returns to the sidelines of our gridiron for his fourth season this year. We are appreciative of the dedication and commitment he devotes to our youth, as we are of all of our coaches. We look forward to being enthusiastic and loyal supporters of all the efforts that they and our high school athletes put into their athletic endeavors this fall, whether our team wins or loses.

As fans, we are all a vital part of the education that our young people will gain via sports. Our children learn more from what we do than from what we say. That's why we encourage your unwavering support of all of our student-athletes, our coaches, and their efforts. Please display good sportsmanship, courtesy, and respect at all times. Let the student-athletes play, the coaches coach, and the officials officiate. Appreciate the endeavors of all the kids, and enjoy the games!

Best wishes to all of our student-athletes and our band for a fabulous season!

Sincerely,

A handwritten signature in cursive script that reads "Michael P. Hughes".

Our Football Coaching Staff

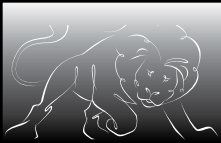

John Mattes
Head Football Coach

Coach Mattes is looking forward to an awesome season as his 8th year as a football coach at North and his 4th year as head coach of the Lions. The football team has 17 returning seniors along with many juniors who played for him last year. Coach Mattes continues this year with the benefits of many experienced returning players who are dedicated to the football as well as a very talented staff.

Coach Mattes has previously coached at Notre Dame High School in PA, and here at North as well. His own playing career provided much experience and fodder for the task at hand this year. A first team, all state player in Pennsylvania during his high school career, he helped his team win a state championship. And as a 4 year letter winner at Moravian College, he's seen his share of competitive opportunities. Coach Mattes lives in Moore Township, PA with his wife, Carmella and their 5 year old son, Jake.

Coach Mattes brings his experience, dedication and seasoned team to Singley Field with high hopes for the 2011 campaign. They have 5 home games on the docket this fall, and just 4 games in rival territory. Coach Mattes is well prepared to build on the foundation he began last year.

Be sure to come out to cheer the Lions to new heights this year!
