

Gary Gilbert Memorial Scholarship

This memorial scholarship is given in remembrance of Gary Gilbert, an extraordinary man who passed away soon after serving as President of the North Hunterdon Music Association (NHMA). The NHMA hopes this scholarship will preserve his memory and inspire the North Hunterdon High School student body to pursue opportunities and experiences which encourage a lifelong involvement in music.

The Gary Gilbert Memorial Scholarship is open to NHHS Freshmen, Sophomores, and Juniors interested in supplementing their high school music studies with music education programs outside of school. Membership in the NHMA for the current school year is required. Eligible programs include, but are not limited to the following:

- Vocal Music Workshop or Summer Camp Program
- Instrumental Music Workshop or Summer Camp Program
- Musical Theatre Workshop or Summer Camp Program

Scholarship funds are to help defray program costs and will be awarded on a first come first serve basis. Recipients may receive only one grant per calendar year, but may reapply for additional grants in subsequent years as needed. Scholarship checks will be made out to the organization or institution conducting the eligible program. Should the demand for scholarships exceed available funds, the NHMA will use the following criteria in awarding scholarships: financial need, academic record, and a demonstrated commitment to high levels of musical excellence.

Students must submit this application to their music teacher by April 30th. Applications can be submitted at any time during the year; however, funds will not be available for summer study for applications received after April 30th. Scholarship recipients will be notified in writing and acknowledged at the Music Awards Spring Banquet.
