

Dear North Hunterdon Football Alumni, Players and Parents,

My name is Jared Mazzetta and I am the new Head Coach for the North Hunterdon Football Program. The primary purpose of this letter is to provide you with information regarding the building of an alumni network for the North Hunterdon Football Program. The North Hunterdon Football Program is dedicated to cultivating our tradition and working to foster a strong connection among our alumni, parents, friends, supporters, faculty members, coaches, the North Hunterdon athletic department and our community at large. The sole objective of the North Hunterdon Football family is to create a network to help support and augment our program.

The North Hunterdon Football staff and players are extremely excited about the upcoming season. Both the staff and our players have been hard at work preparing for next season. There is an excitement and energy surrounding the football program that is ready for change. The players are currently immersed in our off-season strength training program and it is obvious they are embracing the "Hard Hat Mentality"! They have demonstrated a strong will to COMPETE and improve each and every day.

Attached you will find a membership signup form to become a part of our emerging alumni network. In addition you will find a copy of our yearly newsletter about the program.

Thank you for taking the time to read about the North Hunterdon Football program. I hope you enjoy the yearly newsletter! Please feel free to forward this email on to any other interested parties! It is paramount that we get the word out to as many interested parties as possible!

I have included my contact information below. Please do not hesitate to contact me with any questions or suggestions. I look forward to hearing from many of you and I thank you in advance for your help and dedication to the North Hunterdon Football program.
