**ARE YOU READY FOR SOME FOOTBALL? Ready or not the season is right around the corner. Will you be prepared?**

We are very excited about this year's clinic and our clinic structure will allow us to maximize your child's time with the Varsity Coach's and Guest Coach's. It is an exciting time for our football program and the coaching staff is looking forward to having you as a part of the North Hunterdon Football Program. Demonstrate the will to **compete** at this 1 day free clinic.

Offensive Fundamentals

*Part 2:*

Defensive Fundamentals

**Coach Mazzetta's Vision:** To establish a "hard hat" mentality and always compete towards a first class, exciting football program that will benefit the student body, alumni, the player's and the community of North Hunterdon High School.

## Special Speed development and Positional work presented by: TEST FOOTBALL ACADEMY

Is a completely integrated training program designed to help football players enhance performance from the youth to professional level. Training with the nationally renowned TEST performance staff, athletes will learn the techniques necessary to:

Increase linear speed/Improve agility and ability to change direction/Improve relative body strength and power/

Increase potential to prevent injury

Learn position specific on-field techniques with the help of current and former

Division I and NFL players.

Coaches:

Kevin Dunn - CEO and Director of Training and Education

Geir Gudmundsen - Director of Football Operations

Skip Fuller - Performance Director (NFL Combine Prep)

Michael Baker - Performance Director (Youth, High School, and College)

James Pratt - Parisi Speed School Program Director
