

Announcement - May I have your attention please

Pardon the Interruption - This is Mr. Deutsch speaking on behalf of the North Hunterdon Administration:

Congratulations to all the students and coaches involved with our spring sports programs up until this point. It is this kind of school spirit that makes North Hunterdon High School a proud place to be. We wish the spring sports teams' continued good luck for the rest of their season.

Please be reminded that North Hunterdon High School has a number of important athletic events after school, this evening and this weekend. These include Softball in the First Round of States against Perth Amboy at home at 4:30 today, Boys Lacrosse team traveling to Hunterdon Central and competing for the Hunterdon-Warren-Sussex County Championship at 6:00 this evening, Girls Lacrosse Team competing in the Hunterdon-Warren-Sussex County Championship on Saturday at 1:00 vs. Voorhees at Phillipsburg's PAC field, and Baseball is competing in the Hunterdon-Warren-Sussex Championship vs. Hunterdon Central on Saturday evening at 7:30 at Diamond Nation in Flemington.

Whether the athletic events are at home or away, all school rules are in full effect. We have been requested by the Raritan Township Police Department, which covers Hunterdon Central HS and Diamond Nation, to remind our student body that if any disturbances or illegal activities occur at events, those participants will be prosecuted to the fullest extent of the law.

Please be reminded that:

- All traffic regulations will be in full effect. Read the signs.
- Tailgate parties and open fires before, during, or after any student activity or event are not permitted.
- Tobacco and alcohol in any form, noise makers such as garbage cans and air horns, and signs and banners are prohibited on any of the high school campuses.
- North Hunterdon High School’s dress code will be in effect at all athletic events and student activities.

Officials, security and spectators are expected to assist in the promotion and achievement of good sportsmanship ideals by taking personal responsibility for keeping athletic contest at a high level of fair, clean, and wholesome competition. Below are some basic thoughts on sportsmanship:

- **Know The Rules**
- **Behave Appropriately**
- **Respect Officials, Coaches and Opponents**

Good Luck to all the student-athletes for a successful week!

Remember...

**CHEER FOR NORTH –
NOT AGAINST the Opponent**
