

The 41st Annual Milk Can Football Game, North Hunterdon vs. Voorhees, will be played at 7:15pm on Friday, November 4th at North Hunterdon High School.

All North Students,

The North Hunterdon and Voorhees Athletic Departments met and we are lifting some of the rules required by Skyland Conference and NJSIAA for the Milkcan game on November 4th at 7:15pm:

- We are allowing banners and posters from the student body.
- We are allowing cowbells, clappers and moderate noise makers.
- The Athletic Department bought green Thunder Sticks and Mrs. Hall and Ms. Schaefer will be giving them out to the Jungle.
- Click [HERE](#) to review the Milkcan Events.

Unfortunately, we cannot allow:

- Air Horns, whistles or noise makers of this magnitude.
- Banging on garbage cans
- Paint
- Absolutely, no rushing onto the field after the game as this will cause chaos, fans getting hurt and possible discipline issues.

Other Reminders:

- The Voorhees students are being told to stay on the visitor's side of the bleachers during the game and the North students have to stay on the home side. The only exception will be for the Voorhees students to go to the snack bar or bathroom.
- There will be a Great American Rivalry Series recognition ceremony before the start of the game, halftime and Milkcan awards at the end of the game. Please be courteous during this time.

Whether the athletic events are at home or away, all school rules are in full effect. We have been requested by the Clinton Township Police Department to remind our student body that if any disturbances or illegal activities occur at events, those participants will be prosecuted to the fullest extent of the law.

Please be reminded that:

- All traffic regulations will be in full effect. Read the signs.
- Tailgate parties and open fires before, during, or after any student activity or event are not permitted.
