About the sponsoring companies:

**Silver Oak Learning Centers** offer instruction in math, reading, writing, study skills for K-12 students, and SAT/ACT preparation. Our process starts with identifying skill gaps and then developing an individualized learning plan. Your child is matched with one of our state certified and experienced instructors. Our SAT/ACT program begins with the student taking a full length released SAT or ACT test that is scored and analyzed. You

meet with one of our educational experts to discuss areas for skill improvements, the strategies used and the child's college choices/scores required. We develop an individualized plan so that your child may achieve his or her goals.
