 Re: Quarterly Report - Athletic Advisory Committee

Current News:

- The NHHS Booster Club had a great turnout for the Scoreboard Dedication Ceremony on September 27th. The scoreboard was paid for by the NHSH Booster Club for all students and athletes to use at no cost to the district. Thanks to Mr. Deutsch for overseeing the project from start to finish.
- The 2013-2014 school year has proved to be a good one for NHHSBC. We have had a great response to teams joining as umbrella clubs including over 550 families joining to date. Our Snack Shack is in full swing. Molly Falk, Snack Shack coordinator, has been opening the snack more frequently this fall with a great response from fans. Country Griddle has become our sponsor for the Fan of the Game. The Fan of the Game is selected from the students attending athletic events showing school spirit by donning green and gold and supporting our teams in a positive manner. The Fan of the Game receives a gift card to Country Griddle.
