### Current News:

The North Hunterdon Lady Lions Basketball team along with the Girls Basketball Booster Club paid tribute to the courageous women battling breast cancer in our country when they faced the Hunterdon Central Lady Red Devils on February 24, 2015 - Freshmen 3:45pm, JV 5:15pm and Varsity 7:00pm. The game slogan was “Join the fight – One shot at a time” and the girls wore shirts that have a “J.H.” on their right sleeve in honor of Jennifer Hoban, Kathleen and Meghan Hoban’s mother, who lost her battle with pancreatic cancer 2 weeks ago. The cause raised over \$800 donated to the American Cancer Society.

### Dave the Rave Robbins 69th Birthday Cupcake Party 2-18-2015

- What's New: The Booster Club threw a Cupcake Birthday Bash for Dave-the Rave's 69<sup>th</sup> Birthday during the boys' basketball game vs. Warren Hills on February 18, 2015. The Club handed out over 300 cupcakes to fans from both teams after a resounding Happy Birthday! The Warren Hills basketball team gave Dave a Warren Hills T-Shirt to show appreciation. The Boosters had a 50/50 and additional money collection which was donated to the Special Olympics in Dave's honor. The Booster Club donated \$50 to Special Olympics for all the over the head, backwards shots Dave made at halftime. For the record—Dave has earned over 88 special Olympic medals in several sports including basketball, softball, bowling, track and field, golf and cross-country skiing! We also celebrated the Boys Basketball and Cheer Tech Senior Nights prior to the start of the game.
