

Dear Amy,

I am writing to invite your Key Club, Kiwanis and National Honor Society members to participate in the Friends of the Hunterdon County Library's annual book drives and sale in April. This is the Friends' primary fund raiser and its proceeds support many of the library programs in the county. These include a book scholarship for graduating seniors and gifts to each of the small library branches to use as desired. A free Museum Pass Program and the Makers' Day event, as well as many others are also funded by the book sale.

We need some young, energetic, and strong volunteers to lend a hand at the book drives unloading donated books from the donors' cars. The drives are: Saturday, April 11, and Saturday, April 18. During the weeks after the book drives, students may also help sorting books into their respective genera, after school or in the evenings.

On the book sale days, Saturday, April 25 and Sunday April 26, we need help unpacking books and restocking sale tables or helping carry customers' purchases to their cars.

Your students will enjoy this experience along with gaining the satisfaction derived from serving their community. We provide a free lunch for all volunteers; pizza on the book drive days and a full hot and cold buffet on the sale days. Additional perks include the ability to purchase books before the sale at the sale price, and at the end of the sale on Sunday they may take any books that are left at no charge.

I am including some volunteer forms for those who wish to participate. They should fill out the forms and send them to Virginia Wind at the address on the form as soon as possible. If you or your students have any questions, please do not hesitate to call me at 908-996-4933.

We hope that you can help with this very worthy project.

Thank you for your consideration.

Sincerely,

Georgia Muhs, Friends of the Hunterdon County Library
