Dear Students, Parents, and Guardians:

We have had several near accidents as students try to scramble off campus before the school buses depart. Without intervention, it is only a matter of time before an accident occurs.

Effective immediately at dismissal:

- To avoid a potential disaster, only buses will be allowed to exit through the Regional Road exit from 2:25 p.m. to 2:35p.m. Senior drivers will be dismissed after all buses have exited campus.
- Senior drivers parked in the lower lot must exit through the main Regional Road exit.
- From 2:25 to 2:35 p.m. parents may only pick up students on the Route 31 side of the building.
- No cars should be standing around the circle on the Regional Road side.
- Parking in any fire lanes is prohibited.
- Parking in the District parking lot is prohibited.

REMINDERS:

- All a.m. procedures as outlined in my letter of August 4, 2008, remain in effect. The letter is available online.
- School buses ALWAYS have the right of way.
- All cars on campus must yield to pedestrians.
- The speed limit on campus is 5miles per hour.
- Any students who ignore these safety regulations will have their parking permits revoked.

We need the help of all of our students, staff, and visitors to make this campus a safe place for everyone.

Respectfully,

Michael P. Hughes
Principal
