NHMA is an independent, non-profit organization that supports the music programs at North Hunterdon High School. This is a parent-run organization and everything we accomplish is through volunteer work. There are many volunteer opportunities for parents to be able to participate in and we encourage you to become involved. The more volunteers we have, the more we can do to support our talented music students. Thanks for your support!

Please indicate below where you would like to help in the coming year:
