## **“Project Little Soldier”**

With the massive numbers of soldiers being deployed to foreign lands, we would like to make their “Little Soldiers,” who are left behind, smile for the holidays. It is hard enough for them to understand that their parents are away, let alone the thought of spending the holidays without them. Each Armory, or Battalion, has supplied us with a wish list of 3 (three) gifts for each child. We would like to make every child’s wish come true.

**Some of the items we are looking for are:**

**Gift Cards (Wal-Mart, Target, Best Buy, Toys R Us, Sports Stores)**

**Footballs, Soccer balls**

**Cars, trucks, trains**

**Baby dolls**

**Children's Books**

**Children's hats and gloves**

All checks can be made out to A.R.M.S., and sent to our office

64 Harding Road, Red Bank, New Jersey 07701.

**I will be setting up boxes in all the history departments. If you are interested in helping please see me. Thanks, Mike Philips**
