Dear Parents, Guardians, and Students:

On Friday, October 28, 2011 all North Hunterdon High School athletes will have the opportunity to attend a presentation through the Lions Leadership Academy. We are fortunate to have Jarrod Spencer, Psy.D. visit our school and speak to our athletes on the following topic: "Mind of the Athlete: Clearer Mind, Better Performance."

Individual teams will be scheduled throughout the day from 7:30 a.m. to 2:30 p.m. This program will teach student athletes how the mind works in correlation with their emotions. Dr. Spencer's communication style is positive, proactive, and results-focused.

Different programs will be presented for each athletic season throughout the school year. The "Mind of the Athlete" program will be placing a major focus on sports psychology content, goals, time management, team play, etc.

It is our sincere hope that between these activities and discussions you have with your children, we will be able to build a better understanding of the positive effects of team sports in a student's life and maintain an atmosphere of positive athletic comradery in our school and community.

If you have any questions regarding our planned activities, please do not hesitate to contact my office.

Sincerely,

Principal
