

Student Council is participating with Aeropostale stores in order to collect Jeans. The school collecting the most used but wearable jeans will be awarded a \$5000 prize, a party and a new pair of jeans for each student. Two randomly selected students will receive scholarships too! We have two weeks to collect these jeans, which will be turned over to homeless kids in the United States. Many schools are participating; let's show them our generous spirit by winning this competition while supporting an awesome charity!

Collection bins will be placed around the school.
