- 1 Senior Community Service Exit Survey
- 2 SAT at North
- 3 Special Olympics, 9:00 a.m.-4:00 p.m., Singley Field
- 4 AP Exams
PTSA Meeting, 7:00 p.m.
- 5 AP Exams
Improbable Players, Sophomores, 8:00 a.m.
Alive at 25, 7:00 p.m., North Theater
Music Association Mtg, 7pm in room 131
- 6 AP Exams
North Hunterdon Live, 7:00 p.m., Theater
- 7 AP Exams
- 8 AP Exams
- 11 AP Exams
NHHS Booster Club Meeting, 7:00 p.m.
- 12 AP Exams
- 13 AP Exams
Alive at 25, 7:00 p.m., North Theater
- 14 AP Exams
Parent Advisory Committee Meeting, 9:30 a.m.
- 15 AP Exams
Dyslexia Presentation, 6:00 p.m., Theater
- 18 Alive at 25, 7:00 p.m., North Theater
- 19 Art, Math, Theater Honor Societies, Theater, 6:30 p.m.
- 20 Music Awards Banquet, 6:30 p.m.
- 21 Mr. North, 7:00 p.m., Main Gym
- 25 Memorial Day Observed, School Closed
- 26 National Honor Society Spring Induction, 7:00 p.m., Theater
NJ Biology Competency Test
- 27 NJ Biology Competency Test
- 28 Blood Drive, 7:30 –3:30, Main Gym
NJ Biology Test Makeups
World Language Awards, 7:00 p.m., Theater
- 29 NJ Biology Test Makeups
Relay for Life, 3:30 p.m., Singley Field

Principal's Newsletter

Volume 6, Issue 9

May 2015

May News

Richard A. Bergacs, Ed.D.
Principal

The end of the school year is a busy time with testing and student recognition programs. We are actively preparing to celebrate the accomplishments of the Class of 2015.

Testing in May

Biology Testing:

Any student taking the NJ Biology Competency Assessment on May 26 and 27 should report to school at the regular time. Buses will pick up all other students 2 1/2 hours later. More details about testing will be posted soon to our website.

AP Testing Schedule

AP Exams will take place from May 4 to May 15. The schedule of exams is listed on page 8 and on our website.

Students are required to arrive no later than 7:45 a.m. for the morning administration; 12:00 p.m. for the afternoon administration. Students will not be dismissed until an exam has officially ended. Do not ask to leave early if you finish before the end of the test, as your request will be denied. If you play a sport or have a job, it will be your responsibility to inform your coach or employer of your AP obligation and arrangements should be made accordingly.

Congratulations to Anton Gavva!

Anton Gavva '16 won an American Association of Teachers of German PAD Study Trip Award to Germany! His application stood out among many of the best applications from across the United States. The selection committee found Anton's achievements quite outstanding and was particularly impressed with his enthusiasm for German.

As part of this award, Anton will receive round-trip air transportation from Newark

or JFK Airport to Germany, live in a home, attend classes at a German high school, and participate in excursions to places of cultural and historical significance. His trip will take place between June 24 to July 18, 2015. Anton's group will be accompanied by German teachers from various US schools as AATG chaperones.

Congratulations to the Youth and Government Club!

The North Hunterdon delegation won Premier delegation at this year's New Jersey Youth and Government conference. Congratulations to Mrs. McGrory and all of the students who participated. In addition to winning top honors, our students passed almost 1/4 of all of the bills presented. See photo on page 3.

Congratulations Scholar Athletes!

Grace Plassche '15 and Sam Layding '15 were selected to represent North Hunterdon as scholar athletes at the annual Skyland Conference Scholar Athlete Luncheon celebration on April 27.

Kelsey Shelofsky '15 and Nelson Dong '15 were selected to represent North Hunterdon as scholar athletes at the Annual Hunterdon/Warren County Athletic Associations Scholar Athlete luncheon celebration on April 29.

Congratulations Caitlyn Downey!

Caitlyn Downey '16 was nominated by her CTMS Enrichment Teacher for her outstanding service to the American Cancer Society. She will be recognized at the New Jersey State Board of Education's Annual Student Recognition Ceremony in mid May! In addition, Caitlyn is organizing our Relay for Life event here at North Hunterdon on May 29th. I look forward to seeing all the teams come out to support this great event!!!

April Students of the Month

Siena Chang has been part of many extra-curricular activities at North. She is currently President of Math Honor Society, a member of the executive council of Interact, and is part of National Honor Society and Spanish Honor Society. Siena's favorite classes are AP World History and AP Calculus AB.

She really like AP World History because she loved learning about ancient civilizations like the Aztecs and the Mayans. Also, the projects from class like the Medieval presentations and the debates were a lot of fun. AP Calc AB was the most challenging, but most rewarding class for Siena. The class showed her that when she puts in the effort, she can accomplish anything. Siena has too many favorite memories at North to list. She loved all the occasions when she could spend time with friends while also helping others. Helping with Relay for Life and Spike for a Cure are among those times. Outside of school, Siena is a mentor in Big Brothers and Big Sisters. She attends the Tzu Chi Chinese School for learning to read, write, and speak Chinese and is a hostess and server at Bensi's Restaurant. Siena is also a student member of the New Jersey Society of CPAs where she won a scholarship. Siena will be attending the University of Illinois at Urbana-Champaign next year to study Accounting.

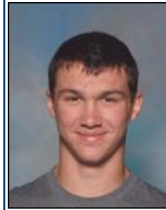

NHHS senior, **Zachary Westgate**, has had a memorable four years at North. Zachary has been a member of the Marching Band percussion section and a member of the Technology Service Club all four years. He is currently secretary for the TSC. Zachary was on the Fencing team his freshman and

sophomore years and started working spotlight for the winter musicals and spring cabarets last year. This past summer, Zachary helped out with the Musconetcong Watershed Association's surveying of the river and area streams. Zachary's favorite classes at North have been Mrs. Parziale's AP Computer Science and Mrs. Bourneuf's AP Environmental Science. Both classes were very engaging and satisfying subjects to learn about. Environmental Science has given Zachary a strong platform for college next year and AP Computer Science has given him a lot of insight on how programming works, which is a hobby for him. Zachary's favorite memories at North have been playing snare drum on the field during the pre-game and halftime shows during the football games. The marching band puts a lot of work into their shows, and it is very satisfying having the show come together every week and watching it develop throughout the season. Zachary will be attending the University of Vermont for Environmental Science.

April Student Athletes of the Month

Softball player, **Brianna Lifshitz**, has been playing varsity for North since sophomore year. She has been playing second base since her junior year and says her biggest strength is in her defensive skills. Brianna bats second in the lineup, where she has a good eye and draws a lot of walks. She has been playing softball since age five, but competitively since she was eight years old. Brianna also plays on the Skyland Pride travel team as a middle infielder. One of her favorite clubs at North is Model United Nations, which she has been a part of since sophomore year. Model UN inspired her to major in International Relations in college. She is also treasurer of Key Club, a member of National Honor Society, Spanish Honor Society, and English Honor Society. Outside of North, Brianna is active in her Temple, or Chadash, where she is a Teaching Assistant and has logged hundreds of hours of community service. Her favorite memory of high school was winning the softball Group IV State Championship last year. Brianna plans on playing club ball in college next year.

Shayne Fontana has been playing varsity baseball at North for the past three years. Shayne pitches and plays center field. He is currently hitting .395 with 2 doubles, 2 triples, and a home run so far this season. Pitching, he has an ERA of 2.15 over 26 innings with 25 strikeouts. Shayne's strongest skills are his speed, tracking a fly ball, and his throwing strength and accuracy. The main goal for the team is winning the County Championship and the Skyland Conference. Shayne has been playing competitively for seven years. He also plays for the NJ Jays and this summer will be part of the Post 159 American Legion Team. Shayne was voted the Skyland Conference league's top player. He received close to 6,500 votes in the NJ.com Skyland fan poll, taking in 19 percent of the vote. Shayne loves to play baseball with his friends and loves to fish outdoors. He plans on playing baseball at Kean University next year.

World Language Awards Ceremony

On Thursday, May 28, over 500 world language awards will be given out to the deserving students of North Hunterdon High School. Awards are given for achieving 3 A's in the first three marking periods of the school year or for participation and top achievement on the national language exams. The ceremony will be held in the Theater at 7:00 p.m. Students and their families are invited, and a reception will be held in the foyer following the ceremony. We hope to see you and your top world language student there!

National Honor Society Induction

The National Honor Society will hold their spring induction on Tuesday, May 26, 2015. The ceremony will take place in the Theater at 7:00 p.m.

Our students have worked hard to achieve this prestigious award. Please come out to support the new inductees!

Music in May

North Hunterdon High School presents Spring Concert I on May 7, 2015 at 7:00 p.m. featuring Concert Choir, Chamber Choir, Wind Ensemble and Concert Band.

On May 14, 2015 at 7:00 p.m., the Spring Concert II will feature the String Orchestra, Jazz Ensemble, Show Choir, Madrigal Singers, and Freshman Women's Ensemble.

Please come out and support our talented musicians!

Youth and Government Conference—April 2015

Summer Reading

Summer Reading

Get set for summer reading

As you make your summer vacation plans, don't forget about your

student's summer reading assignment. All NHHS students, including incoming freshmen, are responsible for keeping their skills sharp over the summer by completing the reading assignment for their grade and level of English class.

Students can check out summer reading books in the Media Center through June 12. For the best selection and availability of titles, students should get their summer reading books before the end of school.

In September, all students must submit a written analysis to demonstrate their understanding of the books. Students should be sure to read carefully and actively, taking notes to help them remember important elements of plot, setting, and character.

The [Summer Reading web site](#) contains the assignments for each grade and level of English, lists of suggested titles for the free-choice portion of the assignment, and organizers for taking notes.

Most popular books at the NHHS Library (based on 2014-2015 circulations)

Looking for Alaska (Green)
The Fault in Our Stars (Green)
An Abundance of Katherines (Green)
Paper Towns (Green)
Divergent series (Roth)
Eleanor & Park (Rowell)
Hush, Hush saga (Fitzpatrick)
Legend series (Lu)
If I Stay series (Forman)
Article 5 series (Simmons)

Seniors: Clear Your Library Record

All seniors must return checked-out books to the Media Center and pay any outstanding fines for overdue, late, or lost items before June 1.

Students with library fines receive monthly notices from the Media Center via their school e-mail account, and they can check for outstanding obligations in the Transactions section of Aspen. Seniors who do not pay their fines or return library materials will not receive a cap and gown.

NORTH HUNTERDON LIVE

North Hunterdon's student created version of Saturday Night LIVE!

When: Wednesday, May 6th at 7:00pm

Where: NHHS Auditorium with \$7 admission at the door!

Proceeds will benefit the Class of 2017 and a portion will be donated to the Muscular Dystrophy Association.

With appearances by: Mrs. McGrory, Mr. Kieffer, NHPD, 2014 Battle of the Bands winner "The Accomplices" and many more!

New Jersey All State Choir

Congratulations to the following students who auditioned for the New Jersey All State Choir in April: Brielle Burns, Zoe Chang, Jessie Dau, Laura DelPiano, Juliette Shore and Alisha Vekaria who were accepted into the All State Women's Chorus. Will Kubas, Lauren Medina, and Francesca Tangreti were accepted into the All State Mixed Chorus.

Guidance News

• **Seniors:** Be sure to notify your counselor of ALL your **college** application results! Remember how helpful the Naviance scattergrams have been for you, and help us to maintain that useful and accurate information

for the next grades.

- **Juniors:** Counselors need your Junior Packets by May 1st! They have many recommendations to write for the fall, and need your input to make sure they can present you in the best possible light in a timely manner. While your counselor probably remembers that you told him/her freshman year that you have a black belt in karate and that you compete in fencing saber internationally while raising prize winning orchids, it would be helpful to write that down.
- **Sophomores:** If you receive accommodations for standardized testing, make sure that you initiate a request that they be provided for college admissions testing from the College Board and/or ACT before the end of this school year. Start planning now to get on some college campuses over the summer, so you can get a feel for what appeals to you when you begin your college search in earnest during the coming year.
- **Freshmen:** Remember to start your summer reading as early as you can. Also, if you have an opportunity to get onto a college campus – any college – just for fun, do it! The impressions you gather now will be helpful as you move through your planning for the future.

National Day of Silence

North Hunterdon High School observed the National Day of Silence on Friday, April 17, 2015. On this day, approximately 135 students choose to be silent in honor of those who have felt silenced or are unable

to be themselves in some area of life, often but not limited to the LGBT (Lesbian, Gay, Bisexual, Transgender) community. Students who chose to participate and not speak in class were involved through writing, rather than oral participation. This was a time to reflect on the experiences of the day which led to very powerful discussion among the students. Thank you to everyone who participated!

Blood Drive

The next Blood Drive will take place on Thursday, May 28 from 7:30 a.m. to 3:00 p.m. in the new gym. Please consider donating and save a life! Click [here](#) for the letter and permission slip.

☆ Senior Prom ☆ ☆ ☆ ☆ ☆

The Senior Prom will take place on Friday, June 5, 2015 from 5:00 p.m. to 10:00 p.m. at The Imperia in Somerset, NJ.

Click [here](#) for the senior prom information letter. Click [here](#) for information on The Imperia.

If you have questions about the Prom, contact Mr. Frank Forte at fforte@nhvweb.net or Ms. Tiffany Slowinski at tslowinski@nhvweb.net

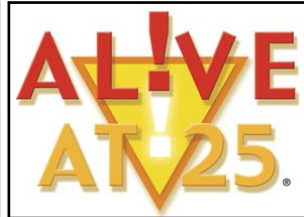

All students are expected to make wise choices and conduct themselves in a respectable fashion, and we hope everyone enjoys a safe and pleasant evening.

News from the Student Assistance Counselor

The "improbable PLAYERS" are going to be at NHHS on May 5th at 7:45am for all sophomores. The program "I'll never do that" is the Players' original and best-loved performance that presents a spectrum of scenes about the roller coaster of drinking/drug use. The play offers short and mostly humorous scenes about beer vs. pot, wacky advertising, drinking and driving, and ends with a story about a family torn apart by alcoholism - how they are all affected - and how they all deal with it. The program will be approximately 1 and 1/2 hours in the theater.

On Friday, May 29th, NHHS will be hosting Katie Koestner as she presents her program "No-Yes" a story about sexual assault to juniors and seniors from 7:50 to 8:50 a.m. in the Theater. Katie Koestner has been a leader in the movement to end sexual violence since she took her own solo stand as the first survivor of date rape to speak out nationally at age 18. After appearing on the cover of Time Magazine on June 3, 1991, Katie worked with HBO to make a film about her story. Subsequently, she has appeared on nearly 50 national television programs, spoken at more than 1500 campuses and led over 400 Take Back The Night marches and rallies. Her emotionally-charged presentation creates an environment of understanding and helps lay the groundwork for behavioral transformation. Her program provides students with just the right blend of facts, statistics, realism, and thought-provoking challenges around relationships, respect, alcohol, and decision-making.

Alive at 25

North Hunterdon-Voorhees Regional High School District is greatly concerned with the safety of its student drivers. Motor vehicle crashes are the leading cause of death among young drivers with less than two years experience. There-

fore, we have implemented a mandatory program, "Alive at 25," for all parents and students that anticipate driving on campus during their senior year. The "Alive at 25" program will address the operational, psychological, and physical aspects of driving.

The **student program** was conducted during the school day in November 2014 for juniors who had health first semester and in April 2015 for juniors who have health second semester. This is a program designed to persuade student drivers to take responsibility for their behavior in driving situations and adopt safe driving practices.

The **parent program** will be offered on a variety of evenings in May. The program will consist of a 1.5 hour presentation to assist parents in understanding and managing the journey of their teens as they progress from beginners to independent drivers. Information will be provided that offers practical information for parents to use in reducing teen crash risks. **The program will be offered at 7:00p.m. on Tuesday, May 5, Wednesday, May 13 and Monday, May 18 in the North Hunterdon High School Theater.** Additional information can be found on the North Hunterdon website. Parents must attend only **one** of the three nights. If you have attended the program within the last two academic years (2013-2014 or 2014-2015), you do not need to attend again. If you are unable to attend one of the three nights at NHHS, you are able to attend the program at Voorhees High School. The dates for the VHS program are June 3, 2015 at 2:45p.m. and at 7:00p.m. then June 4, 2015 at 7:00p.m. All are in the VHS auditorium.

In order for students to be eligible for parking permits in the 2015-2016 school year, please be advised that both student and parent must attend their designated Alive at 25 program prior to approval for a parking permit.

Information regarding each of our programs will be posted on the NHHS website at <http://www.nhvweb.net/nhhs/studentactivities/alive-at-25/> or you may contact Mrs. Zena Kirby @ zkirby@nhvweb.net and Ms. Lauren Mallia lmallia@nhvweb.net.

We look forward to seeing you at our programs.

Teen-HealthFX.com

You can ask us anything!

TeenHealthFX.com is a project of Atlantic Health's Community Health Department and the Adolescent/Young Adult Center for Health at the Goryeb Children's Hospital at Morristown Medical Center. It is an interactive website for teenagers and young adults that provide them with a fun way to get factual health and medical information. TeenHealthFX.com also provides help in accessing medical, mental health, and other support services in northern New Jersey communities. TeenHealthFX's vision is to empower teenagers and young adults to improve their health through individual responsibility.

TeenHealthFX.com has had over 22 million users and received over 40,000 anonymous questions to date. Our site features:

FX Answers - an area for previously posted questions and answers that allows visitors to search through categorized subject areas.

Teen Tips – an area where teens give guidance to other teens on important health and emotional issues.

TeenHealthFX Quizzes – a fun way for teens to test their knowledge – a new quiz each time they visit

Hot Topics – an area to explore various topics in-depth

Facts – surprising facts about teens and their world

AskFX - an area where teens can post their questions, any time they want to do so. To ensure confidentiality, TeenHealthFX does not get email addresses and could never email anyone back or know who they are.

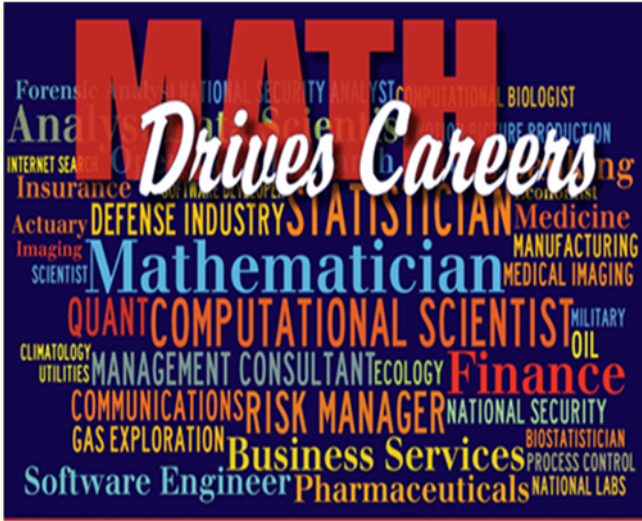

Graduation 2015

Graduation will take place on Tuesday, June 16 at 7:00 p.m. on Singley Field; in the event of inclement weather the ceremony will be held in the Main Gym.

Students will not receive caps and gowns or diplomas until all obligations are paid in the Athletics Office and the senior survey is completed. For details about graduation, click [here](#) for the principal's letter and senior events information.

April was Math Awareness Month

Mathematics Awareness Month was created to increase public understanding of and appreciation for mathematics. It began in 1986, when President Reagan issued a proclamation establishing National Mathematics Awareness Week. Activities for Mathematics Awareness Month generally are organized on local, state and regional levels by college and university departments, institutional public information offices, student groups, and related associations and interest groups.

Each year, the Joint Policy Board for Mathematics sponsors Mathematics Awareness Month to recognize the importance of mathematics through written materials and an accompanying poster that highlight mathematical developments and applications in one particular area. Innovation is an increasingly important factor in the growth of world economies. It is especially important in key economic sectors like manufacturing, materials,

energy, biotechnology, healthcare, networks, and professional and business services. The advances in and applications of the mathematical sciences have become drivers of innovation as new systems and methodologies have become more complex. As mathematics drives innovation, it also drives careers. This year's theme is *Mathematics Drives Careers* and theme posters will be displayed in each math classroom.

To kick-off the month-long observance, students are competing to find the best math slogan/design of their interpretations of the theme and other mathematical musings. The winners will be painting their design on one of the breezeway windows on April 27. Each day a student will be recognized as the Math Student of the Day and will be presented a certificate during their math class. A month long contest will be held to guess the number of Starbursts™, Skittles™, and pennies in jars displayed in the showcase windows in the math wing. The student whose guess is the closest to the correct number will win the candy or the money in the jars. And finally, each day a fun fact or trivia question about one of the math teachers will be announced during the morning announcements and students will try to guess which math teacher it describes. Please visit our department website for other information regarding Mathematics Awareness month.

Class Officers and Student Council Election Results

Student Council and Class Officer elections were held in April. The following students have been chosen to represent their respective classes:

Class of 2018

President—Prajeet Sarker, Vice President—Michael Vantslot, Secretary—Clayton Jenson, Treasurer—Evan Komorowski, Historian—Tate Button

Class of 2017

President—Andrew Plinio, Vice President—Emily Bucher, Historian—Britney Owusu-Dapaah, Secretary—Megan Stenberg, Treasurer—Robert Brinker

Class of 2016

President—Jenna Ferreira, Vice President—Joshua Obidike, Secretary—Jasmine Perez, Treasurer—Erin Yu, Historian—Anisa Douglas

Student Council

President—Nicholas LaBelle, Vice President—Claire Jarvis, Secretary—Michelle Nguyen

Congratulations to all!

Autism Awareness Baseball Game

On Saturday, April 25 and Sunday, April 26 players from 32 teams participated in the Autism Awareness Baseball Challenge in North Brunswick.

Latin Students Tour the Metropolitan Museum of Art

On Friday, April 17th, 35 Latin III and AP Latin students attended a field trip to the Metropolitan Museum of Art. The students arrived at the museum at 6:00 pm and ran through a course of three different activities. The students had the opportunity to tour the Greek and Roman exhibits, listening to the audio tour provided by the museum. In this, they were able to learn about whichever works of art intrigued them most. The students also had a guided “scavenger hunt” on which they had to answer a series of questions regarding specific works of art, including wall paintings from the Villa of P. Fannius Synistor, a comparison of two Hercules statues and an analysis of a funerary urn. Lastly, they were taken on a guided tour by Mrs. Mullay who keyed in on 8 specific works of art. The students started their tour at an Ionic Column from the Temple of Artemis from 300 BC. The massive 11 foot column would have stood 56 feet tall in its original position. They then walked through and discussed various funerary urns and inscriptions, using their knowledge of Latin to translate the inscriptions. They marveled at the detail in the “Four Seasons Sarcophagus” and were blown away by the intricate detail in the relief depicting Dionysus riding on a panther. After that, discussion centered around imperial portraiture, comparing Augustus and Caligula to the Antonine emperors. The students concluded their tour in a fully restored bedroom with the finest example of 2nd style wall paintings in the world. The students were finally able to experience first-hand the culture and artifacts of the Romans about whom they have been studying for years. It was an eye-opening and life-changing experience for them. Special thanks to Mr. Fario, Ms. Ortiz, and Ms. Soska for chaperoning the trip on a Friday night.

The Bedroom from the Villa at Boscoreale

2015 Advanced Placement Exam Schedule

<u>Week 1</u>	<u>8:00 a.m. Morning Session</u>	<u>12 Noon Afternoon Session</u>	
Monday, May 4	Chemistry Environmental Science	Psychology	
Tuesday, May 5	Calculus AB Calculus BC	No exams	
Wednesday, May 6	English Literature	Physics I Algebra Based	
Thursday, May 7	Spanish Language Computer Science A	Physics II Algebra Based Art History	
Friday, May 8	U.S. History German Language	Studio Art	
<u>Week 2</u>	<u>8:00 a.m. Morning Session</u>	<u>12 Noon Afternoon Session</u>	<u>2 p.m. Afternoon Session-</u>

Student Council News

Mr. North will take place on May 21st, and it is a collaborative effort between Student Council and the Senior Class. Tickets are available and on sale now for \$10 in advance/\$15 at the door. See a Mr. North contestant or download an order form from the NHHS website. Seating is limited.

T-shirts are also available.

Download your order form from the website as well.

All proceeds support Project Graduation and Christine's Hope For Kids charity. Please support this fun-filled event!

Upcoming Special Services Presentations

The NHV Special Services Coordinators Articulation Group will be hosting two upcoming parental workshops.

The first will be held on Tuesday, May 5th at 6:30pm in the Voorhees High School Auditorium. Dr. Ethan Ehrenberg, from the New York University Child Study Center, will be presenting on "Social Skills: Building Blocks to Bridge the Gap between Home and School." The workshop will help parents and teacher learn a set of social skills to provide consistent support for children's social functioning.

The second workshop will be held on Friday, May 15 at 6:00 – 9:00 PM in the North Hunterdon High School Auditorium. Susan Barton, founder of Bright Solutions for Dyslexia, will be presenting a free Dyslexia Seminar. This presentation is open to the public. Her discussion will focus on: the symptoms and causes of dyslexia, the gifted areas that come with it, effective tutoring methods and simple classroom accommodations. All participants must register via email at www.NorthHunterdon.EventBrite.com.

If a parent would like additional information, please contact Mary Pat Publicover, Director of Special Services via email: mpublicover@nhvweb.net or via phone at (908)713-4169.

The next PTSA meeting will take place on Monday, May 4 at 7:00 p.m. in Café B.

Thanks to everyone who attended the Senior Banquet on April 29th!

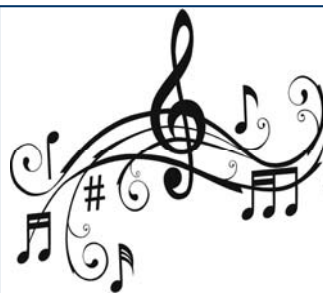

The Senior Breakfast will be held on graduation day, Tuesday, June 16 at 7:45am in cafeteria B.

Project Graduation 2015 will be held at FunPlex in Mount Laurel, NJ on June 16 into June 17 immediately following graduation. Please click [here](#) for the permission form and flyer. Permission form is due by June 1.

THANK YOU FOR YOUR CONTINUED SUPPORT of the NHHS PTSA!

Any questions, please contact nhhsptsa@yahoo.com.

North Hunterdon Music Association News

*Thursday, May 7 and May 14 ~ **Spring Concerts I & II***

Enjoy the final concert performances of NHHS's instrumental and vocal ensembles. Be sure to join us in Café A after each concert for the NHMA-sponsored dessert receptions.

*Saturday, May 16 ~ **ShopRite "Donation Day" Fund-raiser***

Look for NHMA parents at the Clinton ShopRite with buckets in hand, collecting donations from generous shoppers. A little loose change can go a long way!

*Wednesday, May 20 at 6:30 PM ~ **Music Department Awards Banquet***

Click [HERE](#) for info and to RSVP.

*Monday, May 25 ~ **Flemington Memorial Day Parade***
Share The Golden Lions' final march of the year!

Join us for our next NHMA meeting on Tuesday, May 5, 2015. We will be welcoming our new committee members for the 2015-2016 school year. We meet at 7 PM in the choir room (Rm 131).

www.nhvweb.net/nhhs/musicassociation

Scholarship Voting Hosted by the Booster Club

The NHHS Booster Club will be using Survey Monkey for its scholarship voting this year. All Varsity athletes will receive an email with information through their school email account. One senior athlete from

each Varsity team will be given a **Booster Club Team Scholarship at our banquet in June**. All varsity athletes vote for a senior on their team who exhibits the strongest leadership qualities. Senior athletes have to be Booster Club members to be eligible for our scholarships.

All seniors vote for a senior girl and senior boy for our "Dave the Rave Most Spirited" scholarship award. These students are great examples of school spirit. All seniors are eligible for this award. All seniors will receive an email the week of May 4 to vote.

Thank you to all of our Booster Club families for your support and help throughout the year. Our teams THANK YOU!
