May 2018

Dear North Hunterdon Parents, Guardians, and Seniors:

You recently received graduation information for the Class of 2018. We are proud of their achievements and will honor them as a class and as individuals on Tuesday, June 12, 2018, at 12:00 pm.

The graduation ceremony will be conducted on Singley Field or in the main gym, depending on the weather. Space in the main gym is quite limited, so we will offer additional seating in the theater, where the graduation ceremony may be viewed remotely. The ceremony will also be streamed live on our school website.

Enclosed in this mailing are four green tickets and two yellow tickets. The green tickets allow admission to the indoor graduation ceremony or to the bleachers during the outside ceremony. The two yellow tickets are ONLY for admission to the seating on the field during the outdoor graduation ceremony. If additional tickets are needed, students must see fellow classmates for extras. Due to limited space, all families receive only four green tickets for the indoor ceremony.

For the most up-to-date graduation information, please consult the North Hunterdon High School website at <http://www.nhvweb.net/nhhs/home/senior-events-information-2018/>.

I look forward to seeing you on this special day!

Respectfully,

Greg Cottrell

Greg Cottrell, Ed.D.
Principal
