## **INDIVIDUAL WAIVER FORM - Consent Section**

I understand the game is part of the school program and every precaution will be taken for my child's safety.

Just like school dances and other extracurricular events, any suspensions, or any disciplinary actions would make a student ineligible to play in the game.

CONSENT: I hereby give permission for my child to participate in the Spike for a Cure Volleyball Tournament. I declare that my child is in good physical condition. I hereby give the Staff of NHHS permission to render such medical and hospital care as, in their judgment, may seem advisable for my child. I hereby state that we have adequate medical coverage and will not hold the Staff of NHHS liable for any injuries incurred during the volleyball tournament.

Media Release: I authorize the use, copyright, or publication of my Child's name, image, or voice while participating in this event and related activities, as may be captured by photograph or recording in any medium for any purpose, including illustration, promotion, or advertisement.
