Dear Parents and Guardians:

Please accept this letter as your invitation to our annual Back to School Night. Our Back to School Night will be held on **Tuesday, August 29th, for all grade 9-12** parents. There will only be one Back to School Night. We also offer a virtual option for parents who choose not to attend or cannot attend. Each teacher is recording a video message about their class. These videos will be available on 8/29/23, and a link will be sent to inform parents where to find the videos on our website.

Click on the following link for my welcome video: [Dr. Cottrell's Back To School Message](#).

Please print and bring a copy of your child's schedule to Back to School Night. To print a copy of your child's schedule from Aspen, please follow these steps: click on Family top tab, click on your student's name, click on the Schedule side tab, then click on Reports at the top, and select Student Schedule Matrix Portal-4DayRotated; in the new window that appears, click on magnifying glass to select Semester 1, then click Run.

You will be following your student's schedule in block order. Please [click here to view the block numbers](#) across a sample schedule to help you identify your student's classes in block order. Lunch and directed study periods will be skipped.

The program will begin at 6:45 p.m. You will go directly to your child's Block 1 class, and then follow the schedule below.

Welcome to Back to School Night
