October, 2023

Dear Parent or Guardian:

The transition process for your 8th grade student will begin soon. To facilitate a smooth transition for student to North Hunterdon High School, a calendar of 8th grade scheduling activities has been planned. Please review the activities below and mark your calendars with these important dates.

January 10, 2024 8th grade Evening Orientation Program, for all our sending school parents will begin at 6:30 p.m. in the Theater. Presentations will include an overview of high school life by administrative staff, in addition to information on the scheduling process. Teachers from the various departments will be available in locations around the building to answer questions afterward. Please check the website for updates: www.nhvweb.net/nhhs.

January 1, 2024 - Scheduling materials including the course selection guide will be available for review.

January 9-10, 2024 - Sending schools will be transporting students to North Hunterdon for a half day orientation program on the day that was designated for their school: January 9 (Bethlehem Township, Union Township, Franklin Township, non-public schools), January 10 (Clinton Township, Clinton Public School)

February 1-9, 2024 - North counselors will be available at North for optional appointments with students and their parents. If you would like to meet with a North counselor, please contact the Counseling Office at 713-4130 after winter break. There will be a limited number of slots, so please schedule early if you would like to take advantage of this opportunity to meet to discuss your child's course requests for next year.

March, 2024 – Course requests will be posted in Aspen for review. All errors must be reported to the counseling office by the end of April.

Enclosed is a copy of our registration form, which must be completed promptly and returned to your middle school by 11/1/23. They will forward them to us. Please note that it is very important to register your student using his or her full, legal first name. This will be the name that appears on the student's transcript, which is ultimately sent to the colleges and universities, so it is important to maintain consistency.

We hope this information is helpful to you. We look forward to working with you and to welcoming the class of 2028 to North Hunterdon High School.

Sincerely,

Michael Squarcia
Director of Counseling
