

Graphing Calculator Contract

I, _____, am in Mr. Nailos' (block and subject) _____ class.

I will be allowed to use one of North Hunterdon High School's TI-83/84 graphing calculators in class and at home as long as I agree to the following guidelines.

- The calculator will be used as an instructional tool, not a toy.
- If any damage should occur to the calculator throughout the year, I will be responsible for the damage. If I see any damage or evidence of misuse of the calculator that I did not do, I must report it immediately to Mr. Nailos or be held responsible. A replacement fee of \$100 will be charged for lost calculators or calculators damaged beyond repair. The calculator issued must be returned at the conclusion of the final exam
- ****Please be careful to not switch calculators with another student - you will not receive credit for returning a calculator that you were not personally issued****
- Any of the following will result in my having to replace the calculator and/or denial of calculator privileges:
 1. Damage in any form to the calculator and/or parts
 2. "Text Messages" entered into the calculator
 3. Programs without the teacher's permission
 4. Loading or playing games on the calculator
 5. Dropping the calculator on the floor due to carelessness
 6. Allowing any other student to borrow this calculator - it is not yours to loan

I agree to the above criteria and accept responsibility for any damage.

_____ Yes _____ No

If you do not agree with this contract, it will be your responsibility to provide your own graphing calculator.
