

# NORTH HUNTERDON GIRLS HIGH SCHOOL TEAM CAMP

The increasing level of High School soccer demands an intense, targeted preseason program. United Soccer Academy has designed a program that provides High School soccer players with the ideal introduction for the upcoming season.

The aim of the camp is to provide both an individually demanding camp and a structured team environment. The camp has been designed by High School coaches with the High School player and their team in mind.

The camp also incorporates the guidelines on High School age player development as set by U.S. Youth Soccer.

## THE #1 HIGH SCHOOL PRE-SEASON EXPERIENCE

Thanks and congratulations to all former United Soccer Academy High School Camp attendees. ...
