

Web Site Evaluation

Fill in this form every time you take information from a web site for use in your project.

Site name	
Address (URL)	
Who	Who wrote or published the site?
	What are the author's qualifications to write about your topic?
	How can you contact the author if you have questions?
What	Is the information accurate?
	Are spelling and grammar correct?
	Do the links work?
When	When was the page created or last updated?
	How can you tell that the site is updated regularly?
Why	What is the purpose of this site?
Summary	Explain why this site should be used for your project.
