

How to Measure

Please take measurements over close fitting garments and follow the instructions carefully. The more information you provide the better we can determine your size.

Size charts available online at www.tuxedowholesaler.com

Men: Required measurements by garment

Coats: Chest, Waist, Sleeve, Overarm
Shirts: Neck, Sleeve
Vests: Chest, Waist
Trousers: Waist, Outseam

A. Chest: Measure around the fullest part of the chest keeping the tape parallel to the floor.

B. Overarm: Snugly but not tight, wrap the measuring tape around the body at chest level including the arms.

C. Waist: Wrap measuring tape around the natural waist keeping the tape snug.

D. Outseam: With the trousers at navel height, measure from the top of the waistband down the outside of the leg to the floor, (barefoot).

E. Sleeve: Measure from center back neck to shoulder to the bottom of the wrist bone.

F. Neck: Gently wrap the measuring tape around the neck leaving room for 1 finger between neck & tape.

Women: Required measurements by garment

Gowns & Dresses: Bust, Waist, Hip, Height (for children only; neck to floor)

Jackets: Bust, Waist

Skirts: Waist, Hip, Outseam

Blouses: Bust, Waist, Hip

1. Bust: Measure around the fullest part of the chest keeping the tape parallel to the floor.

2. Waist: Wrap measuring tape around the natural waist keeping tape snug.

3. Hip: Wrap measuring tape around the fullest part of the hip keeping the tape parallel to the floor & snug.

4. Height: How tall are you?

5. Neck to Floor: (for children only) Measure from top of shoulder next to neck over bust to floor.

D. Outseam: At navel height, measure from the top of the waistband down the outside of the leg to the floor, (barefoot). For skirts or trousers use Mens box D.
