

## Monthly E-Notes March 2013

Hello Music Association Members!

It's a great time in the Music Department! With many exciting events just around the corner, we are sure to enjoy some wonderful performances this Spring!

### This Past Month:

- The students of the cast, crew and pit orchestra performed for 3 nights last month in "Once Upon A Mattress" and audiences were thoroughly entertained. After months of rehearsal, their dedication and hard work paid off, as audiences laughed along with this tongue-in-cheek comedy.
- The NHMA Super 50/50 Raffle which concluded at the final Musical performance was a great fundraising success. The NHMA and the ticket winner each received over \$700! Thanks to everyone who participated in this fundraiser.
- We kicked off our **Casa de Jorge Salsa Fundraiser** at the Musical with free sampling! Please help support the Music Association's programs by purchasing some delicious, healthy, made fresh-to-order, gluten free salsa! Order forms can be found on our website and in Music room 123, where order forms can be dropped off. This fundraiser will run until March 22, so be sure to choose one or more of the 12 different flavors offered!

### Looking Ahead:

- This Thursday March 14th, the highly anticipated **11th Annual Prism Concert** will begin at 8:00 PM. A seamless montage of musical offerings, unlike any other event the Music Department produces throughout the year. Please come out and support our students and enjoy a magical evening of music! Tickets are available from any music teacher, as well as at the door the night of the event. Tickets are \$7 for students and \$12 for adults. Please join us in the lobby outside the theater doors to once again taste free samples and place orders for our **Casa de Jorge Salsa Fundraiser**! Purchase your tickets for the show and sample the delicious flavors offered, while you wait for the doors to open for the concert.
- Friday March 15th 7:00 PM The Show Choir will be performing at the **Jenny Haver Memorial Gala** at the Hunterdon Hills Playhouse, along with other County High Schools. This year's theme is "100 Years of Music".
- Friday March 22nd 7:00 PM A **Combined Choral Concert** with the Lebanon Valley College Concert Choir and our Chamber Choirs and Madrigals Singers will be performed at the Bethlehem Presbyterian Church, with dinner for all choir participants sponsored by the NHMA! For more information contact Ms. Meo.

**The NHMA would like to remind all participants of the Prism Concert of the rehearsal times and dress requirements. Please find attached an informational form given to students by the Music Department. This is a Music Department event, all questions should be addressed to Ms. Meo or Mr. Angeline. This is only a courtesy reminder from the NHMA!**
