Grading Policy:

The grade you earn in biology this year will be based on a point system. The points earned will be divided by the total possible points to achieve a percentage grade. Each assignment, activity, project or assessment will be worth its own amount of possible points.

A three-ring binder will be required for this class. It is best to have an individual binder to use so that you can hand it in to be graded or possibly to leave in the classroom.

There will be a participation rubric used twice a marking period to evaluate class participation. It includes

- A. Actively involved in learning
- B. Fulfilling team duties and sharing work equally
- C. Timeliness
- D. Cooperation, behavior and respect for **all**.
- E. Overall demonstration of knowledge
- F. Classwork

ITEMS THAT ARE PROHIBITED IN CLASS:

- A. Food of any kind
- B. Cell phones
- C. I-Pods or other electronic devices
