Dear Parents/Guardians:

As noted in N.J.A.C. 6A:14-3.7(a)3, the Individualized Educational Program (IEP) document describes the school district's responsibilities related to implementing the student's IEP and the specific accommodations, modifications, and supports to be provided for the student in accordance with the IEP. As noted in N.J.A.C.6A:14-2.3, districts must ensure that a written copy of the IEP is provided to the adult student and student's parents/guardians. Should the IEP be amended with or without an IEP team meeting, the adult student and student's parents/guardians must be provided with a copy of the amended IEP immediately according to N.J.A.C.6A:14-2.3.

In the 2014-2015 school year, the North Hunterdon-Voorhees Regional High School District has the opportunity to provide the parents/guardians and adult student with an electronic IEP via the family portal. This initiative will support the district's decision to "Go Green". All IEPs will be confidential and only the student, student's teachers and parents/guardians will have access to view it. If a parent/guardian and/or adult student requests a hard copy of the finalized IEP document, they will have the opportunity to receive the student's IEP by notifying the student's case manager.

Please note, an agreement to receive IEPs and other required documents electronically will be reviewed and presented to you at your son's or daughter's next IEP meeting. This agreement will be renewed annually.

Please visit the North Hunterdon-Voorhees Regional High School District's Special Services website: <http://www.nhvweb.net/specialservices/> for additional information.

If you have any questions about this process, please feel free to contact your son's/daughter/s case manager or me.

Sincerely,

Mary Pat Publicover
Director of Special Services
