Dear Voorhees Parent,

We are pleased to introduce Family Connection – a comprehensive website that you and your student can use to make plans about colleges, and careers. Family Connection is linked with Naviance™, a service that we use in our office to track and analyze data about college and career plans, so it provides up-to-date information that's specific to our school.

Family Connection allows your student to:

- **Get involved in the planning and advising process** – Build a resume, complete online surveys, and manage timelines and deadlines for making decisions about colleges and careers
- **Research colleges** – Compare GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past
- **Research careers** – Research hundreds of careers and career clusters, and take career assessments
- **Create plans for the future** – Create goals and to-dos, and complete tasks assigned by the school to better prepare your student for future college and career goals.

Family Connection also lets us share information with you and your student about local scholarship opportunities, and other resources for college and career information.

To visit our school's Family Connection site, use an Internet browser to connect to:

These are the two ways for parents to create an account:

1. You may sit with your student and add the parent information including an accurate email address on the student account. When you click "add new parent", this will add your information to the student's account. Finally, you must click "register manually" and type in the username and password you would like to use; or click "auto register" and it will send you a registration email.
2. You may email our registrar, Sherri DiMarcello: sdimarcello@nhvweb.net and request a parent account. Please be sure to include your name, email address and your student's name. Please update all parent information the first time you use the account

We hope that you will find this resource helpful. If you have questions about Family Connection, please contact your guidance counselor.
