

Habitat for Humanity Club

Advisor: Mrs. Hance

Contact Information: lhance@nhvweb.net ext. 2073

This club will work in accordance with Habitat for Humanity (of Raritan Valley), and aid in the duties of the organization of Habitat for Humanity, which is a nonprofit organization that helps provide safe, secure, and more affordable housing to low income families.

Habitat offers a very tangible way to give back to the community and to add to Voorhees students' opportunities, it would also provide another way to gain volunteer hours for a college or other resume. The club has opportunities on many levels to help out, so it offers the student body a wide variety of ways to participate that are best fit for them.

To become contributing members of the organization, the club will hold various fundraisers to not only cover the cost of scheduling a workday but also to make donations if possible. Once it has sufficient funds, it will schedule Saturday work days to work on site, and all members can also help in the collection of worksite supplies to donate. Frequent meetings will be held in room 336 to organize these events.
