Anyone can join Spanish Club as it brings our students together in order to fulfill a common goal which is to carry out philanthropic work. Our mission is to help a young girl living in Colombia. We hold bake-sales every month in order to raise enough money to fulfill our philanthropic work. In order to stay an active member of Spanish Club, students must maintain a minimum of ten hours of participation within the club. Students can receive credit for these hours by attending meetings, bringing in goods for bake-sales, and helping organize for Carnaval in February. Our major event, Carnaval, is organized by Spanish Club. It is an event where active members can participate, socialize, have fun, and taste the many different types of Spanish cuisine and goods that many Spanish-speaking countries has to offer.

Meetings are generally held on Mondays or Wednesdays in room 257. We have bake sales once or twice every month in order to help us raise enough money to fulfill our philanthropic work.
