This honor society is composed by an elite group of students who were nominated by their teachers from all 4 languages: French, German, Latin and Spanish. We meet once a month in room 258, usually the last Thursday of every month, and we are in charge of 3 major events: Oktoberfest, Mardi Grass and Carnival. As well as some additional responsibilities such as: Induction Ceremony, World Language Week, World language Olympics, decorating the bulletin board and tutoring.

In order to qualify for the WLHS a student must:

- be in the third year of the language
- have an overall grade of an "A-" for two years and maintain good grades
- participate in the respective language club
