Made in USA

- Weight per gallon: 10.25 lbs.
- One gallon contains:
2.0 lb Nitrogen
.2 lb Potassium

20-0-2

20% Slow Release Nitrogen 2% Sulfur & Iron

GUARANTEED ANALYSIS

Total Nitrogen (N)	20.00%
2.3% Ammoniacal Nitrogen	
1.4% Nitrate Nitrogen	
12.3% Urea Nitrogen	
4.0% Slowly Available Water Soluble Nitrogen*	
Soluble Potash (K ₂ O)	2.00%
Sulfur (S)	2.00%
Iron (Fe)05%
.05% Iron EDTA Chelate	

Derived from:
Ammonium Nitrate, Urea, Triazone,
Potassium Chloride, Potassium Hydroxide,
Ammonium Thiosulfate and Iron EDTA Chelate

*Slowly Available Nitrogen from
Urea Triazone Solution

Tank Mixing Information:

Prior to any fertilizer or pesticide application, all spray mixing and application equipment must be cleaned. A quality tank cleaner is recommended. Carefully observe all cleaning directions on the pesticide and fertilizer label. Fill the spray or mix tank at least one half full of water and begin agitation. Add pesticides and/or fertilizers as directed by labeling or in the following sequence:

- 1) Dry flowables or water dispersible granules
- 2) Wettable powders
- 3) Flowables
- 4) Emulsifiable concentrates
- 5) Water based solutions
- 6) Compatibility agents
- 7) Micronutrients and Fertilizers
- 8) Spray adjuvants

Before mixing multiple chemicals and/or fertilizers in the tank, confirm product compatibility by performing a jar test. Be sure to mix with plenty of water.

Storage and Handling:

Store in a cool, dry place; keep container tightly closed; do not add water or other material to the container. Do not contaminate water, food, or feed by storage or disposal. Do not store near acids or other acidic material

Store above 32°. Do not allow to freeze.

Caution:

Keep away from children and domestic animals. Avoid contact with eyes, open cuts, or sores. Harmful if swallowed. External: Flood with water. Internal: Induce vomiting. Contact physician immediately. Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rains are expected. Apply this product on to your turf, lawn, garden, tree & shrubs. Apply only to newly established turf during first growing season, turf areas being repaired or renovated, turf areas for which a soil test has been obtained within the last three years and which indicates a nutrient deficiency

Notice and Limitation of Warranty:

The manufacturer and seller warrants that the material conforms to the product description on the label and is reasonably fit for the purpose stated, when used in accordance with the directions. Further, because of critical unforeseeable factors beyond the manufacturer's and seller's control which prevent them from eliminating all risks in connection with the use of fertilizers, the buyer and user acknowledge and assume all risks and liabilities resulting from handling, storage and use of this material. The terms of this notice may not be varied by any verbal or written statement
