

Voorhees Sci-Fi Fantasy Club

Advisor: Nicholas Medeiros

The Sci-Fi Fantasy Club is a group for students who enjoy any strategy, fantasy, cooperative, adventure, role-playing, or deck-building games. Games like Magic the Gathering and Dungeons & Dragons are the backbone of our club, but we enjoy tabletop games of all types. This club will give students interested in any tabletop game a place to come play and join a community.

The Sci-Fi Club meets on Mondays from 2:30-3:10 in room 142.
