Local Business Donations

Letters will be sent out shortly only to non-food places that we didn't ask to support DI.

PTSO Student Scholarships

Mr. McGheehan is in charge of getting the donation from us and gives it to the recipients, one boy and one girl who embody the spirit of the school. We need to confirm how and when this is done. \$150 each, distributed in June as a check. Don't announce the amount ahead of time just in case don't have the funding.

Graduation Reception

Not really necessary now that ceremony is in the morning. See if we can get volunteers. Ask Key Club students, some cookies and water. Will address as we get closer to the date.
