Project Graduation-no changes in notes from previous meeting

Mr. Broan will double check with Mr. Peterson about obtaining a Lebanon Police Officer, at no cost, to help check students when busses are being loaded.

- Made Down-payment of \$1,000 for the FunPlex, which was chosen by the student body.

School Resource Officer will be able to help. No word on that yet, still in the works.

- Chaperones: teachers need to be paid 4 teachers \$150 each, possibly 8 if no parents chaperone
- Parent chaperones(?) hard to get
- Bag checks done by those chaperoning
- About 289 students in the class. Need to guarantee 200.

Voorhees High School Graduate lawn signs

Mr. Broan said that if pre-paid can store them in the conference room and parents/kids can pick them up.

Ann and Kim are working with printer FastSigns in Flemington and coordinating the sale.

Local Business Donations

Nobody responded with any donations.

PTSO Student Scholarships

Mr. McGheehan is in charge of getting the donation from us and gives it to the recipients, one boy and one girl who embody the spirit of the school. We need to confirm how and when this is done. \$150 each, distributed in June as a check. Don't announce the amount ahead of time just in case don't have the funding.

Next year would like to make it similar to Music Association that a parent must be a PTSO member for student to be eligible.

Graduation Reception

Not really necessary now that ceremony is in the morning. See if we can get volunteers. Ask Key Club students, some cookies and water. Will address as we get closer to the date.
